

INTEGRITY
EXPECTED

OUR MISSION

Our mission is to provide paid, hands-on training that equips individuals with practical trade skills and life management tools, preparing them for successful careers and personal growth.

OUR VISION

We see the future of workforce development as more than just filling jobs – we're about creating opportunities. At DIS-TRAN Steel, we are transforming the way people learn trades by bridging the gap between education and employment. Our innovative training model focuses on providing individuals with both technical skills and life skills that set them up for long-term success.

Our trainees leave with:

- Practical experience in trade skills.
- A paycheck from day one.
- The tools to manage real-world challenges.
- Confidence to thrive in the workforce.

Frequently Asked

Who We Are at DIS-TRAN Steel

We believe in more than just building steel structures – we believe in building people. Our Training Facility is designed to provide individuals with the skills they need to excel in the trades, all while being paid to learn. We understand that the key to a thriving workforce is hands-on experience, and that's why we've created a program that blends practical training with life management tools.

Why Choose Our Training Facility

- Paid learning experience.
- Direct mentorship from industry experts.
- Life management tools integrated into your training.
- A workplace-focused learning environment that prepares you for a career, not just a job.

Eligibility

Anyone looking to get into a field and learn a trade can apply for the program. The program is designed as an alternate option for individuals who do not want to go to a trade school or other institutions, but just want to earn a paycheck and learn a trade.

Cost

Personal Protective Equipment and tools necessary to perform tasks will be provided by DIS-TRAN Steel. The trainee is responsible for trade-appropriate clothing. Trainees will receive an hourly wage while participating in the program.

Program Schedule

The program hours will be – 6:00am-2:30pm, Monday through Friday, 40-hour work week. DIS-TRAN Steel Plant holidays will be observed.

Contact Training Center Administrator for more information.
