**WORKS**

**BUSINESS  
EDUCATION  
COMMUNITY**

# World of Real Knowledge & Skills

## PROGRAM INITIATIVES

### **BUSINESS ADVISORY COUNCIL**

Serve all county school districts as the connection to local business, advise on workforce needs and advocate for needed employment skills

### **JOB SHADOWS**

Onsite and virtual options to help students build a network of professional connections and gain real world career knowledge and experience

### **HIGH SCHOOL BOOTCAMPS AND GUEST SPEAKER EVENTS**

Mock interviews, classroom presentations and career day events to prepare students for future employment and success

### **PICKAWAY HR PROFESSIONALS**

Network of regional HR professionals promoting career opportunities, sharing resources and informing WORKS programming decisions

### **EDUCATOR AND STUDENT BUSINESS TOURS**

Small groups of educators and/or students visit local businesses to learn about available career pathways and opportunities

### **THINKING PARTNERSHIPS**

Businesses partner with classroom teachers to provide real world problem scenarios, allowing students to develop critical thinking skills & solutions

### **BUSINESS SHOWCASE**

Students collaborate with businesses to create spotlight videos to raise awareness of local employers & career options

### **PICKAWAY COUNTY COLLEGE & CAREER NIGHT**

Annual county-wide event featuring over 100 education institutions and employers highlighting opportunities

# Together

## WE CREATE...

### **AWARENESS**

increase knowledge of local career pathways and required skills & training

### **ALIGNMENT**

build valuable partnerships between local educators and employers

### **RELEVANCE**

make connections between classroom work and the real world of work
